5.4 Declaration by applicants who apply for enrolment on a network option (including Necesses)

I confirm that I am aware of the following:

1. I will be liable for co-payments if I do not use Medihelp's hospital network, designated service providers (DSPs) and formulary medicine.
2. I must register my prescribed minimum benefit (PMB) condition with Medihelp and my PMB chronic medicine must be pre-authorized by Medihelp. Medihelp uses a DSP for PMB chronic medicine and a formulary applies. I will be responsible for a co-payment* on my PMB chronic medicine should I fail to obtain this medicine from the DSP or deviate from the formulary for my benefit option.
3. My treating specialists should form part of Medihelp's DSP specialist network in order to prevent co-payments on PMB treatments.
4. I must use Medihelp's hospital network for all planned hospital admissions. If there is no network hospital available near my place of residence, I will need to travel to the nearest network hospital to obtain medical services. If I use a non-network hospital instead, I will be liable for a co-payment*.

* Please refer to your benefit option's guide/brochure for all applicable co-payments.
